

Welcome to a Day of Transformation!

In today's rapidly evolving digital landscape, staying ahead means not just adapting to change, but mastering it. As a business leader, you face the challenge of navigating this dynamic environment where leveraging technology is not just an advantage—it's essential to your success.

Let's welcome Nathan Whittacre, your guide to transforming these challenges into opportunities. With a unique blend of passion for innovation and a deep understanding of the intersection between technology and business, Nathan is not just an expert; he's a fellow traveler who has been where you are and has charted the paths you need to follow.

Armed with a BS and MS in Computer Science from UNLV and over 30 years leading Stimulus Technologies, Nathan brings practical insights that have empowered countless leaders like you to harness technology as a driver of growth and profitability.

Today, you will discover actionable strategies and practical solutions that will propel your organization toward sustained success. Get ready to transform how you think about technology and leadership.

Please stand up and help me welcome entrepreneur, author, pilot, and athlete—Nathan Whittacre.
